an official state religion.6 Only 6
countries, in all of which Islam is the declared state religion, provide no provision at all concerning religious freedom specifically. Other countries in which Islam is the declared state religion provide constitutional guarantees of the right to freedom of religion or belief, which comply in varying degrees to

The Religion-State Relationship
A state religion (also called an established religion or official religion) is a religious body or creed officially endorsed by the state. A state with an official religion, while not secular, is not necessarily a theocracy, a country whose rulers have both secular and spiritual authority. State religions are official or government-sanctioned...
