The Power Of Starting Something

"The Power of Starting Something Stupid teaches one of the truths that I have found in life and business: whenever I think something is a totally genius idea, it is not, and when I take a chance to do something that may seem like it will turn into nothing, that's when things turn out to be successful. So many great, successful ideas started as a whim—as something stupid.

Analytical - You'll understand the inner workings of the subject matter. Background - You'll get contextual knowledge as a frame for informed action or analysis. Bold - You'll find arguments that may break with predominant views. Comprehensive - You'll find every aspect of the subject matter covered.

The Power of Starting Something Stupid Free Summary by ...

The Power of Starting Something Stupid is a deep and complex book. Its seed was planted by tragedy: the death of Norton's 21-year-old brother, and two years later, his own 2-month-old son. As a result, it has an emotional punch, an immediacy greater than most self-help or business books. This summary barely scratches the surface.
